INTRODUCING THE PURCEE NEW ERA PANELS – 1000V

Our electrical panels are designed with meticulous engineering, ensuring top performance, efficiency, and reliability for the mining industry, even in the most challenging environments. Each component is carefully selected to meet the highest of standards, providing long-lasting durability and optimal functionality.

Starter Panels

Code	Product Details
P000082:	250KW DOL Starter
P000083:	315KW DOL Starter
P000084:	37-90KW DOL Pump Starter
P000085:	Dual Jumbo 150kW/8-30kW Starter
P000086:	132KW Pulse Fan Starter
P000087:	110KW Pulse Fan Starter
P000088:	75KW Fan Starter
P000089:	45KW Fan Starter
P000091:	8-30kW DOL Pump Starter
P000101:	315kW Dual Starter Soft Starter
P000104:	10-45KW DOL Pump Starter
P000105:	90KW Pulse Fan Starter

Feeder Panels

Code	Product Details
P000092:	160A Electrical Feeder Gulley Box
P000093:	60A Electrical Feeder Gulley Box
P000094:	80A Electrical Feeder Gulley Box

Gulley Starters

Code	Product Details
P000037:	150KW Jumbo Starter Gulley Box
P000038:	75-110KW Fan Starter Gulley Box
P000039:	90KW Pump Starter Gulley Box
P000040:	10-37KW Pump Starter Gulley Box

Incomer Panels

Code	Product Details
P000095:	250A Incomer Gulley Box
P000096:	350A Incomer Gulley Box

Outgoer Panels

Code	Product Details
P000097:	250A Outgoer Gulley Box
P000098:	350A Outgoer Gulley Box

Lighting Transformers

Code	Product Details
P000099:	5KVA Lighting Transformer

Gulley Stands

Code	Product Details
P000100:	Gulley Box Stand
